Trips meet at a variety of locations so be sure to check the information above for the trip you registered for.

Please meet at the designated location to travel with the group 15 minutes before the meeting time indicated. Trip leaders may make unscheduled stops or change final destinations in response to bird presence or weather.

Consider bringing the following items: a camera, binoculars, spotting scope, hiking boots, clothing appropriate for the weather, insect repellent, something to drink and food to snack on.

Please leave pets at home or make other arrangements.
